DECLARATION

I, _____, the applicant for an Electrical Permit to install electrical equipment and/or wiring at _____

_____ state that the electrical work proposed is to be installed in my home or future home/recreational property. Further, I state that I intend to install the electrical wiring under the permit when approved and that no one will assist me with the installation who will be remunerated for the assistance in either cash, trade or barter.

Further, I agree that should I decide to dispose of or sell the property, that I will cease to install electrical wiring and obtain the services of an electrical contractor to complete the installation who will be responsible to obtain a new permit.

Further, I agree to provide access to all of the electrical installation for inspection and approval prior to covering and to rectify any faults or errors in the installation which does not meet the minimum standard of the Canadian Electrical Code, Part I current edition.

(Signature of applicant)

Dated this _____ day of _____ 19 _____

For the information of the applicant, this declaration does not prevent the applicant from employing a qualified electrician who is registered pursuant to the Electrical Act as electrical contractor if the inspection office is notified at 667-5443 or 667-5485.

The applicant is also advised that **an address sign must be posted visible from the road** near the driveway to indicate either lot number or street address shown on this application. If the location of the property is outside developed subdivisions, a map shall be provided.
