APPLICATION BACKGROUNDER FOR MAKING A NEW APPLICATION

When applying for a liquor licence(s), the following information may be included with your application package or as part of your oral presentation to the Yukon Liquor Board.

The board in considering whether or not to grant a new licence shall, in addition to any matters brought to its attention by the applicant or the president, consider

- (a) the number of licences in the area in respect of which the application relates;
- (b) the number of different types of licences in the area;
- (c) the population of the area including seasonal variations and also including variations in the immediate area to be served by the licence and more distant areas capable of being served by the licence;
- (d) the economic activity carried on in the area or projected to be carried on, including seasonal variances;
- (e) in the case of an application under section 34, the projected capital expenditure to be made in respect of the application;
- (f) in the case of an application under section 25, the amount of capital expenditure already made by the applicant;
- (g) the need for a new licence in the area either because of the requirements of the stable population of the area or the travelling public, actual or projected;
- (h) how the applicant or their associates have operated any previous licence held by either of them;
- (i) the arrangements to be made by the applicant for operating and controlling the premises; and
- (j) the type of structure to be built, or added to present structures, permanent structures having preference.
- (k) any enforcement history or concerns related to the liquor licences you hold or previously held;
- (l) any reason(s) you or your staff may not qualify as "fit person" for serving liquor to the general public or to a membership; (see YLB Policy Tab #4).

Part 2 - Consent

Important - Informed Consent (provided by the individual)

As an individual providing informed consent to have these sources of police information reviewed and disclosed, it is important that you understand the nature of the information that may be contained in them. By agreeing to allow your personal information to be disclosed to a prospective employer or organization, you acknowledge that you understand that your suitability could be determined based on the information disclosed. The suitability criteria are established and controlled by the employer or the organization - not the police agency or authorized body conducting the checks. The police agency or authorized body is not involved with, or responsible for, decisions that are made by the employer or organization.

Statement of Consent: I consent to a search of all records and information available at the time the search is conducted, including non-conviction information, charges before the courts, findings of guilt or convictions and court orders registered in my name in the National Repository of Criminal Records and local records available to the police service. I understand that if information or a possible record exists, it will not be disclosed until identification has been confirmed by either myself or by fingerprints.

Part 3 - Type of Record Check Required - Completed by Applicant (selected and Initialed)

1	Name-Based Criminal Record Check Initial here if requesting a Name-Based Criminal Record Check	A query, based on name and date-of-birth, of active criminal files in the RCMP National Repository of Criminal Records. Used to determine the possible existence of a criminal record. Generally used as a preliminary search only to determine if a Fingerprint-based Criminal Record Check may be required. The query may also include a search of court records and a query of <u>records management systems in other police agencies' jurisdictions</u> through the Police Information Portal (PIP) or other data sharing systems.
2	Fingerprint-Based Criminal Record Check Initial here if requesting a Fingerprint-Based Criminal Record Check	A fingerprint-based search of the RCMP's national repository of fingerprints and criminal record information. The results of the search will produce a document that includes criminal record information where the identity of the applicant has been verified by fingerprints.
3	Vulnerable Sector Check Initial here if requesting a Vulnerable Sector Check <input type="checkbox"/> RCMP form 3923 is attached.	A Vulnerable Sector Check is the most comprehensive type of check. It includes a query based on name and date of birth of a local police agency's records management system, commonly referred to as a local indices check, in addition to queries of CPIC Identification, Investigative, and Intelligence Data Banks. The query may also include a search of court records and a query of <u>records management systems in other police agencies' jurisdictions</u> through the Police Information Portal (PIP) or other data sharing systems.
4	Declaration of Criminal Records Initial here if requesting a Declaration of Criminal Records	This will result in the RCMP detachment providing a list of all of the criminal convictions and related information that are included on the criminal record on CPIC. This may only be provided by the detachment where the applicant lives. <input type="checkbox"/> Declaration of Criminal Records (RCMP form 6359) is attached.
