E-mail: envprot@gov.yk.ca

Please read carefully and fill out all applicable sections. Attach additional pages if necessary.

1. Name and address of applicant

The applicant is the person filling out this application, and whose name is to appear on the permit. This may be the owner of the contaminated material, the owner or operator of the receiving location, or a consultant working for either party. This person must sign this application form.

Contact name and position title	Phone #
Business name or government agency/branch/department	Fax #
Mailing Address	Postal Code
Email Address	
Name (person or business) to appear on permit	

2. Who is directly responsible for relocating the contaminated material?

same as (1) above, or:

Contact name and position title	Phone #
Business name or government agency/branch/department	Fax #
Mailing Address	Postal Code
Email Address	

3. Location and owner of the site from which contaminated material will be removed:

same as (1) above, or:

Landowner	
Street address	Postal Code
Site location and legal address	
Geographic Coordinates (location of material to be removed in lat/long, UTM (specify zone) or Yukon Albers)	

4. Location and owner of the site receiving the contaminated material:

same as (1) above, or:

Landowner or land treatment facility operator	
Street address	Postal Code
Site location and legal address	

5. Is the receiving site in #4 above a permitted land treatment facility under the Contaminated Sites Regulation?

- Yes: proceed to #7 No: proceed to #6

6. If the receiving site is not an approved Land Treatment Facility, please provide one of the following:

- A completed Land Treatment Facility Permit application for the receiving site; or
- Laboratory results demonstrating that the levels of contamination in the soil and/or water are less than the *Contaminated Sites Regulation* standards that apply at that location.

7. What is the volume of contaminated **soil** to be relocated? _____ m³ actual estimated

8. What is the volume of contaminated **water** to be relocated? _____ litres actual estimated

9. What is the volume of contaminated **snow or ice** to be relocated? _____ m³ actual estimated

10. What was the cause of the contamination? Provide a **detailed** description.

Contaminant type(s) and quantity: _____

Event (including date and location): _____

11. Has the spill been reported to the Spills Line at (867) 667-7244?

- Yes
 No

12. List any special waste permits in place at the removal location.

13. Is any of the contaminated material known or suspected to be a special waste (for example, due to concentrations of petroleum hydrocarbons in excess of 30,000 parts per million in soil)?

- No; proceed to #14
 Yes; please demonstrate that the carrier identified in item 2 above is permitted to transport the special waste, or submit a detailed spill response plan covering the special wastes to be relocated. A sample plan and a fact sheet describing spill response plans can be obtained from the Department of Environment.
Permittees transporting special wastes will be required to submit manifests at the time of transport.

14. Describe the method to be used to relocate the material, including precautions to be taken to ensure that no contaminants are dispersed to the environment en route.

15. When will the contaminated material be relocated? _____

16. Attach the following information to your application (ALL APPLICANTS):

- The written approval of the landowner of the removal location, approving the removal of contaminated material from the site (not necessary if the applicant is also the landowner);
- The written approval of the landowner of the receiving location, allowing contaminated material to be moved to the site (not necessary if the applicant is also the landowner); and
- Information regarding any samples collected to date, and the results of any analysis conducted on these samples. (Such sampling must be conducted in accordance with Protocol 3: Sampling Procedures, and Protocol 5: Petroleum Hydrocarbon Analytical Methods and Standards)

I, _____ [print name clearly], am the authorized representative of
_____ [business person responsible for source or activity], and I certify
that the information provided on this application form is correct and complete to the best of my
knowledge.
