### How does my organization apply?

Application forms are available online at [youth.gov.yk.ca](http://youth.gov.yk.ca) or contact the fund administrator at 456-6771.

When can my organization send in an application?

- **Deadlines for applications requesting \$501 to \$5000 are 11:59 pm on April 1 and October 1 each year. Late applications will not be accepted.**
- If the deadline day falls on a weekend or holiday, the deadline will be at 11:59 pm on the next business day.
- If you are applying for \$500 or less, you may apply anytime.
- When fully completed \$500 and under applications are received, they will be reviewed and decided upon within three weeks.

- Applications for projects that occur during school hours or at a school must include written permission from both the school principal and superintendent
- All applications must include proof of liability insurance that covers project activities.

### What happens after we apply?

- Your application will be reviewed and, within 5 weeks after the application deadline date, you will be contacted to let you know if your project is going to be funded or not (notification date).
- YIF funding can only start being used on or after the notification date. As a result:
  - Spring funded projects should start mid-May or later.
  - Fall funded projects should start mid-November or later.
  - YIF funding cannot be applied to expenses incurred before the notification date.

### What happens if we get approved?

- If your project is approved, your organization will receive a “Transfer Payment Agreement” that sets out the terms and conditions under which your project will be funded. An authorized official from your organization must sign this agreement and return it to the YIF fund administrator before the YIF is able to give your organization the funding.
- Any costs your organization has incurred before the date you receive notification that your project is approved will not be covered by the fund.
- To minimize risk, we recommend that all employees, workshop facilitators, volunteers or anyone else that:
  - will be left alone with youth
  - are in a supervisory role with youth
  - participate on overnight trips with youthcomplete and clear a **criminal records check**. CRC forms will be provided.
- Organizations that have not submitted final reports from previous projects that were due prior to the application deadline are not eligible for funding.
- Upon completion of your project, you will be required to prepare a short, written evaluation and financial report accompanied with receipts.
- Applicants may use additional methods of reporting to add to their written evaluation report. Pictures of the project are encouraged.
