TERMS AND CONDITIONS

DEFINITIONS:

EPA – Environmental Protection Agency (United States)

ESC – Energy Solutions Centre

NRCan – Natural Resources Canada

APPLIANCE REBATES: Appliance rebates are calculated at \$100 rebate per appliance in hydro-grid communities and \$300 per appliance in diesel-grid communities.

HYDRO-GRID COMMUNITIES: Carcross, Dawson City, Faro, Haines Junction, Keno, Mayo, Pelly Crossing, Ross River, Stewart Crossing, Tagish, Teslin, and Whitehorse.

DIESEL-GRID COMMUNITIES: Beaver Creek, Burwash Landing, Destruction Bay, Old Crow, Upper Liard, and Watson Lake. Off-grid applicants must provide property lot number for off-grid confirmation.

ELIGIBILITY: Products, projects and services must be installed in Yukon. Receipts and invoices must be dated within one year of rebate package submission to ESC. Appliances and products must be new. Second-hand appliances and products are not eligible for the rebate.

ELIGIBLE PRODUCTS: Washers, refrigerators, freezers, dishwashers and dryers (ventless) must be ENERGY STAR® certified to qualify. ENERGY STAR appliances have an ENERGY STAR symbol featured on the EnerGuide card attached to the appliance (dealers must provide EnerGuide labels for products sold in Canada). ENERGY STAR appliances are listed on [NRCan's searchable product list](#). Applicants must submit an EnerGuide card or NRCan listing for each unique appliance model applied for in a rebate package.

Refrigerators must be 7.75 cubic feet or larger (compact refrigerators/freezers less than 7.75 cubic feet are not eligible).

Dryers must be **ventless** and [ENERGY STAR-listed](#).

Toilets must be [WaterSense-certified](#).

Drain Water Heat Recovery System (DWHRs) must be [NRCan-listed](#).

RECEIPTS AND INVOICES: Receipts and invoices must be legible, itemized and include: purchase date, purchaser name, retailer/supplier name, brands and model numbers of items purchased, description and cost. Names on required documentation must match the applicant's name (and where applicable, the co-applicant's name) on this form. **Each and all invoices must have a zero balance owing or be noted as "paid in full" and initialed by the supplier.** Payment will be made to the individuals or business identified on the invoices supplied.

LIMITS TO PROGRAM: The Good Energy program is renewed annually pending fiscal year budget allocation. **This program is effective from April 1, 2018 to March 31, 2019.** Rebate offers are subject to program funding and revision and may change or end at any time. In no event will a rebate amount exceed the product, project or service value.

SUBMISSION AND PAYMENT: ESC is not responsible for lost, late, incomplete or ineligible submissions. Please allow up to twelve weeks for payment. Payment may be direct deposit if you have been employed or under contract with Yukon government.

QUALIFYING PRODUCTS: ESC relies on third-party standards to identify and validate energy efficient products, projects and services. ESC does not endorse any particular manufacturer, supplier, contractor or installer in promoting these third-party standards. Visit www.energystar.gov for a list of energy star certified appliances. Visit www.epa.gov/watersense for a list of WaterSense certified toilets.

ENERGY INFORMATION RELEASE: ESC adheres to *Access to Information and Protection of Privacy Act* and *Archives Act*. Personal information on this form is collected under the authority of section 29(c) of the *Access to Information and Protection of Privacy Act* for the purpose of determining issuance of an energy rebate. The applicant acknowledges that ESC keeps program information about services provided and the applicant's resulting energy savings as confidential, but will use data in aggregate in reports and other documents. Applicants may be contacted by phone, mail or email to confirm personal information, and/or to participate in a voluntary questionnaire regarding program impact and opportunities for program improvement.

DISCLAIMER / NO LIABILITY: The applicant understands that ESC's role is to incentivize the purchase of energy efficient products, projects and services. ESC is not responsible for product installation, the quality of work or service by a contractor, the completion of projects or the quality of products purchased. ESC does not guarantee energy saving results by approving an application. ESC is not responsible for retailer claims about the Good Energy program, program rebates and product eligibility.
