

2018-2019 GOOD ENERGY PROGRAM
HEATING SYSTEMS REBATE APPLICATION

APPLICATION PROCESS	FUEL	SYSTEM	CRITERIA	AMOUNT
1. Complete application package Fill and sign application form. Attach required documentation. 2. Drop-off, mail or e-mail package to Energy Solutions Centre (contact info below). 3. Receive cheque within twelve weeks.	Electric	Heat pump – air-source	ENERGY STAR® or 8.2 HSPF or better	\$1,500
		Heat pump – ground or water source	ENERGY STAR	
	Wood	Furnace / boiler – pellet or cordwood	CSA B415.10 or EPA certified Meets or exceeds emission standards (see “wood heating systems” on back for details)	\$800
		Stove – pellet		\$600
		Stove – cordwood Fireplace insert		\$300
	Oil & propane	Furnace or boiler	≥ 95% AFUE ENERGY STAR	\$500
		Combination system	Must be condensing and CSA P9 tested	
REQUIRED DOCUMENTATION				
Approved City or territorial inspection report . Itemized receipts/invoices with zero balance owing or noted as “paid in full” and initialed by supplier . ENERGY STAR / CSA / EPA documentation . Refer to program terms and conditions on the back of this form for more information on qualifying products. Emission standards documentation for wood appliances				

APPLICANT INFORMATION			
Applicant name (printed – with middle initial)		Co-applicant name (NECESSARY if name on required documents.)	
Mailing address	City	Postal code	
Installation address (if different than above)	City		
Primary phone	Email		
Is this your primary heating appliance?	Yes	No	
Is this heating appliance replacing an existing one ?	Yes	No	If Yes, please describe your old appliance including fuel type, make, model, and efficiency: _____

APPLICANT SIGNATURE	
By signing below, the applicant agrees to the terms and conditions of this program and confirms that all measures have been completed as of the signature date below and that any accompanying receipts, invoices and documents are complete and accurate. ATIPP STATEMENT: The information provided in this form and attached documents is being collected for the purposes of carrying out the Good Energy program in accordance with the <i>Access to Information and Protection of Privacy Act</i> . Please contact Energy Solutions Centre (867-393-7063) for further information.	
Applicant signature	Date (YYYY-MM-DD)
Co-applicant signature (NECESSARY if name on required documents.)	Date (YYYY-MM-DD)
Note: a random selection of applicants will be contacted to participate in a questionnaire regarding this program.

TERMS & CONDITIONS

DEFINITIONS:

AFUE – Annual fuel utilization efficiency
EPA – Environmental Protection Agency (United States)
ESC – Energy Solutions Centre
NRCAN – Natural Resources Canada

ELIGIBILITY: Products, projects and services must be installed in Yukon. Receipts and invoices must be dated within one year of rebate package submission to ESC. Appliances and products must be new. Second-hand appliances and products are not eligible for the rebate.

Air-source heat pumps must be [ENERGY STAR®](#) or achieve an 8.2 HSPF or better.

Ground or water-source heat pumps must be [ENERGY STAR](#).

Wood heating systems must meet [EPA New Source Performance Standards \(NSPS\)](#) or [CSA B415.10 \(as amended in 2010\)](#). **Wood stoves**, fireplace inserts, and **hydronic heaters** (boilers) must be EPA-listed. In addition, maximum particulate matter emission standards must be met. These standards are: 2.5 g/hr for wood stoves, pellet stoves, and fireplace inserts; 0.1 lb/MBtu for wood boilers (0.15 lb/MBtu if the appliance was tested using cordwood); 0.15 lb/MBtu for wood furnaces.

All **oil and propane furnaces and boilers** must be \geq 95% AFUE and [ENERGY STAR](#).

Combination systems must be [condensing and CSA P.9 tested](#).

INSPECTION REPORTS: Applicants installing an oil or wood heating system must submit an approved City of Whitehorse or territorial inspection report. Applicants installing a heat pump, propane furnace or boiler must submit an approved territorial inspection report.

RECEIPTS AND INVOICES: Receipts and invoices must be legible, itemized and include: purchase date, purchaser name, retailer/supplier name, brands and model numbers of items purchased, description and cost. Names on required documentation must match the applicant's name (and where applicable, the co-applicant's name) on this form. **Each and all invoices must have a zero balance owing or be noted as "paid in full" and initialed by the supplier.** Payment will be made to the individuals or business identified on the invoices supplied.

LIMITS TO PROGRAM: The Good Energy program is renewed annually pending fiscal year budget allocation. **This program is effective from April 1, 2018 to March 31, 2019.** Rebate offers are subject to program funding and revision and may change or end at any time. In no event will a rebate amount exceed the product, project or service value.

SUBMISSION AND PAYMENT: ESC is not responsible for lost, late, incomplete or ineligible submissions. Please allow up to twelve weeks for payment. Payment may be direct deposit if you have been employed or under contract with Yukon government.

QUALIFYING PRODUCTS: ESC relies on third-party standards to identify and validate energy efficient products, projects and services. ESC does not endorse any particular manufacturer, supplier, contractor or installer in promoting these third-party standards. Visit www.energystar.gov for a list of energy star certified appliances. Visit www.epa.gov/burnwise/burn-wise-types-appliances for more information on EPA certified wood appliances.

ENERGY INFORMATION RELEASE: ESC adheres to *Access to Information and Protection of Privacy Act* and *Archives Act*. Personal information on this form is collected under the authority of section 29(c) of the *Access to Information and Protection of Privacy Act* for the purpose of determining issuance of an energy rebate. The applicant acknowledges that ESC keeps program information about services provided and the applicant's resulting energy savings as confidential, but will use data in aggregate in reports and other documents. Applicants may be contacted by phone, mail or email to confirm personal information, and/or to participate in a voluntary questionnaire regarding program impact and opportunities for program improvement.

DISCLAIMER / NO LIABILITY: The applicant understands that ESC's role is to incentivize the purchase of energy efficient products, projects and services. ESC is not responsible for product installation, the quality of work or service by a contractor, the completion of projects or the quality of products purchased. ESC does not guarantee energy saving results by approving an application. ESC is not responsible for retailer claims about the Good Energy program, program rebates and product eligibility.
