TERMS & CONDITIONS

DEFINITIONS:

AFUE – Annual fuel utilization efficiency
EPA – Environmental Protection Agency (United States)
ESC – Energy Solutions Centre
NRCan – Natural Resources Canada

ELIGIBILITY: Products, projects and services must be installed in Yukon. Receipts and invoices must be dated within one year of rebate package submission to ESC. Appliances and products must be new. Second-hand appliances and products are not eligible for the rebate.

Air-source heat pumps must be [ENERGY STAR®](#) or achieve an 8.2 HSPF or better.

Ground or water-source heat pumps must be [ENERGY STAR](#).

Wood heating systems must meet [EPA New Source Performance Standards \(NSPS\)](#) or [CSA B415.10 \(as amended in 2010\)](#). [Wood stoves](#) and [hydronic heaters](#) must be EPA-listed.

All **oil and propane furnaces and boilers** must be \geq 95% AFUE and [ENERGY STAR](#).

Combination systems must be [condensing and CSA P.9 tested](#).

INSPECTION REPORTS: Applicants installing an oil or wood heating system must submit an approved City of Whitehorse or territorial inspection report. Applicants installing a heat pump, propane furnace or boiler must submit an approved territorial inspection report.

RECEIPTS AND INVOICES: Receipts and invoices must be legible, itemized and include: purchase date, purchaser name, retailer/supplier name, brands and model numbers of items purchased, description and cost. Names on required documentation must match the applicant's name (and where applicable, the co-applicant's name) on this form. **Each and all invoices must have a zero balance owing or be noted as "paid in full" and initialed by the supplier.**

LIMITS TO PROGRAM: The Good Energy program is renewed annually pending fiscal year budget allocation. Rebate offers are subject to program funding and revision and may change or end at any time. In no event will a rebate amount exceed the product, project or service value.

SUBMISSION AND PAYMENT: ESC is not responsible for lost, late, incomplete or ineligible submissions. Please allow up to eight weeks for payment. Payment may be direct deposit if you have been employed or under contract with Yukon government.

QUALIFYING PRODUCTS: ESC relies on third-party standards to identify and validate energy efficient products, projects and services. ESC does not endorse any particular manufacturer, supplier, contractor or installer in promoting these third-party standards.

ENERGY INFORMATION RELEASE: ESC adheres to *Access to Information and Protection of Privacy Act* and *Archives Act*. Personal information on this form is collected under the authority of section 29(c) of the *Access to Information and Protection of Privacy Act* for the purpose of determining issuance of an energy rebate. The applicant acknowledges that ESC keeps program information about services provided and the applicant's resulting energy savings as confidential, but will use data in aggregate in reports and other documents. Applicants may be contacted by phone or e-mail to participate in a voluntary questionnaire regarding program impact and opportunities for program improvement.

DISCLAIMER / NO LIABILITY: The applicant understands that ESC's role is to incentivize the purchase of energy efficient products, projects and services. ESC is not responsible for product installation, the quality of work or service by a contractor, the completion of projects or the quality of products purchased. ESC does not guarantee energy saving results by approving an application. ESC is not responsible for retailer claims about the Good Energy program, program rebates and product eligibility.
