YUKON ARCHAEOLOGICAL SITES REGULATIONS APPLICATION FOR CLASS 2 PERMIT

(Please Type)

This information is being collected under the authority of the *Yukon Archaeological Site Regulations* (O.I.C. 2003/73), Sections 6 and 7, for the purpose of determining the eligibility to receive an archaeological research permit. For further information, contact/direct inquiries to the Manager, Heritage Resources Unit (867) 667-5363.

GENERAL TERMS AND CONDITIONS

1. Permits are valid only in the calendar year in which issued. Applications for extension should be submitted in the same manner as the original.
2. Permit conditions take precedence over any contractual arrangements entered into by the permit holder.
3. The permit holder shall provide written reports on or before March 31 of the year following the year for which the permit was issued as specified on the permit. Permit reports will be on file at Yukon Heritage Resources Unit and will be accessible to qualified researchers to assist future archaeological research and assessment.
4. The permit holder is responsible for the preparation (authorship) of all field reports required under the permit.
5. A person designated may at any time inspect a permit, or any project being conducted under permit, including records or materials recovered.
6. The permit holder shall conform to all requirements that may be imposed by the Yukon Heritage Resources Unit or the First Nation designated as the recipient of the materials recovered.
7. The permit holder shall strictly observe all applicable Territorial and Federal legislation and regulations.
8. Only one (1) permit will be issued per application and project. The permit holder must be involved in a minimum of 75% of the actual field work.
9. Archaeological information provided for environmental and socio-economic review shall protect sensitive site information.

I _____
(Surname)

of _____
(Address)

(Email) (Telephone Number)

representing _____
(Institution)

hereby apply for a Class 2 permit to carry out archaeological investigations in the Yukon as outlined in the following:
