*\*Note: This application may be reviewed by a vehicle safety/stability expert \**

### PART II: APPROVAL

A special NON-TAC Configuration Permit is hereby issued to \_\_\_\_\_ ("Permit Holder") under Yukon Highways Regulations ss 23(3), O.I.C. 2002/174 (the "Regulations"), authorizing the operation of the vehicle(s) listed in Schedule "A" of this Permit subject to the following Terms and Conditions:

#### TERMS AND CONDITIONS

##### 1. Applicability of Permit

- a) This permit applies only to the vehicle(s) listed in Schedule "A" of this permit.
- b) The permit holder owns the vehicle(s) listed in Schedule "A" of this permit.

##### 2. Maximum Permit Length

An escort vehicle will not be required for overall length of the vehicle combination described in Schedule A, up to a length of 27.5 meters.  
A rear escort vehicle will be required when the overall length exceeds 27.5 meters.

##### 3. Vehicle/Vehicles Inspection/safety, insurance and registration requirements

The Permit Holder shall at all times:

- a) Maintain a valid Periodic Motor Vehicle Inspection (PMVI) decal for the vehicle(s) listed in Schedule "A" and display a PMVI decal on each vehicle.
- b) Maintain valid registration for the vehicle(s) operated under this permit.
- c) Maintain insurance coverage for the vehicle(s) that meets or exceeds the minimum established under the Yukon *Motor Vehicles Act*.

##### 4. Suspension of the Permit

The permit will be suspended, and the permit holder notified in writing of the suspension, when it is demonstrated that the permit holder is in non-compliance with:

Requirements relating to vehicle inspection/safety, or insurance or registration as set out in this permit.

##### 5. Reinstatement of Permit

The permit may be reinstated once the permit holder can demonstrate that the:

Vehicle inspection/safety, insurance and registration requirements in Section 3 of this permit have been met.

##### 6. Offence to operate at lengths in excess of the maximum overall length established by this Permit.

- a) It is an offence to operate a vehicle(s) combination under this permit with a length that exceeds the maximum overall length authorized by this permit without the required escort vehicle(s).
- b) A fine may be assessed under the Summary Conviction Regulations for this offence.

##### 7. Cancellation of the Permit

The Minister may cancel this permit for repeated suspensions of the permit for non-compliance with permit conditions.

**8. Sale of a vehicle(s) or permanent removal from the Road**

- a) When the vehicle(s) is sold or permanently removed from the road, the permit holder shall immediately notify the Manager, Carrier Compliance, Transport Services Branch in writing.
- b) The permit is not transferable.

**9. Expiry of the Permit**

Unless suspended or cancelled, this permit is valid for the life of the vehicle(s) listed in Schedule "A".

**SIGNED for and on behalf of:  
GOVERNMENT OF YUKON**

**SPECIAL NON-TAC CONFIGURATION PERMIT  
 PERMIT APPLICATION INFORMATION**

The applicant for a Special NON-TAC Vehicle Configuration Permit must provide the Department with the following information in support of the permit application:

**Drawing of Vehicle or Vehicle Combination**

Provide a sketch of the vehicle or vehicle combination in the space provided below. You may also include a photograph of the vehicle or vehicle combination, but a sketch is mandatory.

**Lift Axles**

Indicate which axles are lift axles by placing an "X" below the axle.

**Single Tire Axles**

Identify single tire axle by marking it with an "S". Provide the tire size for all single tire axles.

**Front Steering Axle**

Provide the manufacturer's axle rating for the steering axle and attach verification of that rating.

**Inter Axle Spacings**

Provide the measurement from the center of axle to center of the next axle or axle group in metric.

From Axle	To Axle	Measurement in Metric
1	2	
2	3	
3	4	
4	5	
5	6	
6	7	
7	8
