<p style="text-align: center;">Please Note</p> <p>The standard to which the work is performed will be evaluated on a case-by-case basis. There are many factors involved, including but not limited to:</p> <ul style="list-style-type: none"> • traffic volumes, maximum gross vehicle weight requirements and industry usage, • speed of traffic, • geometrics of the road (horizontal and vertical alignment determine safety) and • whether YG maintenance will be performed. <p>The work proposed must result in a road, airstrip or dock that is appropriate to the amount and type of traffic that is projected to use it.</p>	<p>Applications focused on existing road inventory should plan to apply existing standards (or better).</p> <p>Add any additional information on an attached page. For assistance or questions, please phone us at (867) 667-8820 or 1-800-661-0408 (ext. 8820), or email us at roadprograms@gov.yk.ca.</p> <p>To submit your application on paper, please send it to the following address. Government of Yukon Transportation Engineering Branch (W-13) 461 Range Road Whitehorse, Yukon Y1A 3A4</p>
