The Commissioner of the Yukon Territory, by and with the advice and consent of the Council of said Territory, enacts as follows:

1.

"The Yukon Game Ordinance," being Chapter 1 of the Ordinances of 1920 and amendments thereto, is hereby amended by inserting the following immediately after sub-section (9) of section 4 of the said Ordinance:

"(10) Aircraft shall not be used in trapping operations except as a means of transportation between the settlement where a trapper is outfitted and his principal base camp. Before making use of aircraft as above every trapper shall notify the nearest Game Guardian in writing of the settlement where he will be outfitted and which will be his principal base camp."

2.

The said Ordinance is further amended by inserting the following immediately after section 44 thereof:
"PROVISIONS RESPECTING FUR FARMING"

45. No person shall engage in the business of farming fur bearing animals in the Yukon Territory or possess them for propagation purposes without first having obtained a fur farm license. The application for a license shall set out the name and address of the applicant, a description of the location of the fur farm and the means by which the fur bearers are to be secured.

46. If there is no valid objection to the establishment of a fur farm at the location described in the application the Commissioner or any officer authorized by him may, in his discretion, issue a fur farm license to the applicant therefor. The fee for a fur farm license shall be $5.00.

47. Any such license shall expire on the first day of June next following its date of issue. Upon proof that the holder thereof has complied with all the provisions governing the issue of such license, the Commissioner or such officer authorized by him may issue renewals thereof from year to year. The fee for a renewal license shall be $2.00.

48. No person except a Game Guardian shall without the consent of the owner of a ranch or enclosure where fur-bearing animals are kept in captivity for breeding purposes, enter upon such private grounds or within 25 yards of the pens or dens of such animals upon which notices forbidding trespassing on the premises are posted so as to be plainly discernible at the said distance of 25 yards. Provided that where such dens or pens are located within 25 yards of a public highway, the rights of the public to use such highway shall not be restricted.

49. The owner or caretaker of fur-bearing animals kept on any premises for breeding purposes pursuant to a license issued hereunder may kill any dog found in the enclosure in which such animals are kept and there giving tongue or otherwise terrifying the said animals.
"50. The holder of a fur farm license shall keep books and records which shall correctly set forth at all times the total number of fur bearing animals in his possession, and full particulars in respect of all animals bred, purchased or acquired, and the licensee shall at all reasonable hours allow any Game Guardian to enter and inspect the premises where operations are being carried on hereunder, and to inspect the books and records of such licensee relating thereto.

"51. The licensee shall on the 31st day of May in each year make a return in triplicate to the nearest Game Guardian showing the number of each species of fur-bearing animal in his possession, the number born in captivity, the number disposed of during the preceding year, and the names and addresses of the purchasers.

"52. No license issued hereunder shall be transferable without the written approval of the Commissioner first had and obtained.

"53. The Commissioner may cancel any license issued hereunder for failure to comply with any of the terms or conditions of the license, or of this Ordinance, and may in his discretion refuse to issue any further license to the person whose license has been so cancelled.

"54. The pelts of animals raised in captivity shall be subject to the provisions of 'The Fur Export Tax Ordinance.'"

5.

An employee who is not working underground in any shaft or tunnel may be employed and work during the time over and in excess of such daily limit of eight hours, and of such weekly limit of fifty-six hours, only if he is paid for each hour of such overtime, not less than the sum of fifty-five cents.

6.

In addition to such rates of pay per hour, that is to say fifty cents per hour of eight hours, and fifty-five cents per hour worked over and in addition to eight hours, the employee shall be furnished proper board and lodging as part of his remuneration, by and at the expense of the employer.

12. Every employer shall make and keep in his principal place of business in the Yukon Territory a true and correct record of the wages paid to and the hours worked each day by each of his employees, together with a register of the names, ages, nationalities and residential address of all his employees.
13.

Every employer shall, on demand of the Officer Commanding the Royal Canadian Mounted Police in the Yukon Territory, or any person authorized in writing by said Officer, produce for inspection all such records so to be kept by him.

14.

CHAPTER 7

AN ORDINANCE TO AMEND "THE YUKON GAME ORDINANCE."

(Assented to May 4th, 1937.)

The Commissioner of the Yukon Territory, by and with the advice and consent of the Council of said Territory, enacts as follows:

I.

Sections 10, 10-B and 10-C of the said Ordinance are hereby repealed and the following substituted therefor:

"10. No person not a resident of the Territory shall be entitled to hunt, trap, take, shoot at, wound or kill any of the animals mentioned in sub-section (5) of section 4, or any fur-bearing animal, whether protected by this Ordinance or not, without first obtaining a license in that behalf. Every such license shall be signed by the Commissioner or some person appointed by him for such purpose, shall be in force during the calendar year in which the same is issued and shall be subject to the Game Laws in force in the Yukon Territory during the currency of such license.

"10-A. Two classes of licenses shall be available to non-residents of the Yukon Territory, namely:

"(1) A big game hunter's license.

"(2) A trapper's license.

"10-B. The fee for a big game hunter's license shall be $100.00 in the case of a non-resident who is not a British subject, and $75.00 in the case of a non-resident who is a British subject.
"10-C. The following provisions shall apply in the case of big game hunters' licenses:

"(1) Such license shall entitle the holder thereof to kill during the open season one moose, two caribou, two deer, one mountain sheep, and one mountain goat, and no more. Provided that each such license holder may, under his license, during the open season, in addition to the number of animals above specified, kill one moose, two deer, two caribou, one mountain sheep and one mountain goat. Provided, however, that such license holder shall, in addition to the original license fee of one hundred dollars, pay the following further or additional fees for each additional animal so killed, that is to say: $25.00 for each moose, caribou, deer, sheep or goat.

"Such further fees shall be paid forthwith after the making of the sworn statement required to be made by such license holder under sub-section (3) hereof, to the Territorial Treasurer or his agent, who shall, upon such payment, issue and deliver to the license holder a receipt for the same, enumerating the animals for the killing of which such additional fees have been paid.

(2) A holder of any such license shall be entitled to take with him or to ship out of the Territory, as trophies, the head, hide and hoofs of any big game lawfully killed by him.

"(3) Provided that every such license holder shall, before leaving the Territory, be required to make and subscribe before a Game Guardian a statement under oath that he has not violated any of the provisions of this Ordinance, giving such particulars in relation thereto as may be required by the Game Guardian. And upon such statement being made the Game Guardian shall give to such license holder a certificate that such game, describing it, has been lawfully killed or taken, and that such license holder is entitled hereunder to export the same from the Territory subject to any customs regulations existing in regard thereto.
“(4) Every such license holder shall be entitled to receive from the Territorial Secretary or the Territorial Agent at Whitehorse, a certificate enumerating the game killed by him under the authority of his license, in such form and manner as may be prescribed by the Territorial Secretary. Such certificate shall set forth a description of the game killed, together with the measurements of the trophy produced therefrom, the number of the license, the locality where such game was killed, and the name of the Chief Guide accompanying the licensee. The Territorial Secretary and the Territorial Agent at Whitehorse shall keep a record book of all certificates issued, and such record book shall contain all the official record of all game killed and exported as trophies by licensed non-resident hunters.

“(5) Except as herein otherwise provided, no holder of any such license shall engage in hunting moose, caribou, deer, mountain sheep, mountain goat or bear, or exercise his license for that purpose without having with him and in his employ a licensed Chief Guide: provided that where it is made to appear to the satisfaction of the Commissioner that no Chief Guide is available and in other exceptional cases the Commissioner may, in his discretion, grant by memorandum in writing to any such non-resident holder of any such license permission to hunt under his license without having with him or in his employ a Chief Guide.

“(6) Such license shall further entitle the holder thereof to kill for his own use and only to the extent necessary for such purpose, the birds mentioned in sub-section (7) of section 4 of this Ordinance.

“10-D. The fee for a trapper's license shall be $300.00 in the case of a non-resident who is not a British subject, and $250.00 in the case of a non-resident who is a British subject.

“10-E. The following provisions shall apply in the case of trappers' licenses:

“1) Such license shall entitle the holder thereof to trap and take fur-bearing animals and to export the pelts and skins thereof upon compliance with the provisions of 'The Fur Export Tax Ordinance.'
(2) Such license shall further entitle the holder thereof to kill for his own use, and only to the extent necessary for such purpose, the animals and birds mentioned in sub-sections (5) and (7) of section 4 of this Ordinance, but shall not entitle him to ship out of the Territory the head, hide or hoofs of any animals killed by him.

"10-F. No resident of the Territory shall hunt or kill any of the animals or birds mentioned in the said sub-sections (5) and (7) of section 4 of this Ordinance, without taking out a license to be known as a 'General Game Hunter's License,' the fee for which shall be $1.00, and in the case of a non-resident, $5.00, and which shall be in force during the calendar year in which it is issued."

2.

The said Ordinance is further amended by striking out sub-section (8) of section 2 of the Ordinance defining the word "resident," and substituting the following therefor:

"(8) 'Resident' shall mean:

(a) Any British subject who has resided not less than two years in the Territory, or any person not a British subject who has resided in the Territory not less than three years with the intention of making his permanent home therein.

(b) In the case of an applicant for a 'General Game Hunter's License' under the provisions of section 10-F hereof, any person who has resided continuously for a period of one year in the Territory and who furnishes satisfactory proof of his intention to make his permanent home therein."
