

## **INDEX OF REGULATIONS**

The binders containing the Yukon Regulations are organized by TAB section in numerical sequence.

The Index of Regulations lists each Statute in alphabetical order followed by a numerical listing of regulations for each Statute.

To find a particular regulation, search the Statute, locate the TAB number and then the regulation number listed.

Once located in the Index, turn to the Tab section. Regulations are sequenced in descending numerical order (1990/05 precedes 1975/165).

## **INDEX DES RÈGLEMENTS**

Les relieures contenant les Règlements du Yukon sont organisés au moyen d'ONGLETS en ordre numérique.

L'index des règlements présente une liste, en ordre alphabétique, de chaque loi suivie d'une liste nominative et numérique de chaque règlement découlant de cette loi.

Pour trouver un règlement en particulier, vous devez d'abord chercher le nom de la Loi et le numéro de l'onglet dans l'index. Ensuite vous trouvez le règlement recherché ainsi que le numéro correspondant.

Ensuite vous devez aller à l'onglet relatif à cette loi et les règlements découlant de cette loi paraîtront en ordre numérique descendant (1990/05 est placé avant 1975/165).
